

# SIMONDS HIGH

## WEEKLY NEWSLETTER

*May 9th, 2025*

### Important Dates

As we move into a vibrant and meaningful week, I'm excited to share that we will be celebrating Pride Week here at Simonds High School. This is a time for our school to come together in support of inclusivity, diversity, and respect for all individuals. We encourage everyone to participate, learn, and show support in ways that are respectful and heartfelt. Let's make this week a powerful expression of the pride we take in one another and in our community.

We would also like to remind everyone to please take note of the schedule in the adjacent box regarding Demonstration of Learning Week, which was previously referred to as Exam Week. This approach focuses on providing students with opportunities to showcase their growth and learning in meaningful and varied ways. It's important that all students are aware of their scheduled times and expectations. If there are any questions or uncertainties, please don't hesitate to reach out to your teachers or administration for clarification.

Thank you for your continued support and engagement.
