From Mrs. Carhart

With the first quarter of the year behind us, we now look towards home reports coming out and the opportunity to meet to discuss your Seabee's academic progress to date. We encourage all our families to take advantage of this time to come and meet with your students teachers. We are offering online bookings for parent teacher to be held in person. If any families would prefer their appointment to be virtual we can absolutely accommodate that. Please book the in-person appointment and let the teacher know you would prefer to meet virtually and they will accommodate that for you.

Football. We are proud. Having our team play in the provincial playoffs was a significant moment in our Seabee history and one that has contributed to tremendous pride in our school and community. These achievements are not possible without the unwavering support of a team of volunteer coaches, spectators, parents and players. We appreciate you all! Let's keep the momentum going with winter sports! Let's continue to support our basketball and hockey teams as they work through their seasons! Go Seabees!

Mrs. Carhart

Guidance Corner

Options Outreach will be having an information booth at our Parent Teacher session November 23rd 4:30–7:30pm.

Options is a non-profit that offers employment counselling for those with disabilities looking for work and/or assistance when heading into post-secondary education. Options is able to start seeing grade 12 students on track to graduate in their grade 12 year now, which is very positive as it allows more time to prepare students for post-secondary. More details can be found here:
