

SIMONDS HIGH

WEEKLY NEWSLETTER

November 1st, 2024

Important Dates

With the first quarter of the year almost behind us, we now look towards home reports coming out and the opportunity to meet to discuss your Seabee's academic progress to date. We encourage all our families to take advantage of this time to come and meet with your student's teachers. We are offering an online booking system for parent-teacher which will allow for the option to book an in-person appointment or virtual- whichever is most convenient for you.

With the fall sports season also behind us we need to extend a huge thank you and note of appreciation to our community. Having sports teams and building a community of support takes time and it wouldn't be possible without the commitment our community has displayed. Stepping in and stepping up for our students time after time is appreciated. We are excited to have a girls hockey team this year-because of the dedication of our community. We are so fortunate to have the unwavering support of a team of volunteer coaches, spectators, parents and players. We appreciate you all! Let's keep the momentum going with winter sports! Let's continue to support our basketball and hockey teams as they work through their seasons! Go Seabees!

Jennifer Carhart
