

SIMONDS HIGH

WEEKLY NEWSLETTER

November 22nd, 2024

Important Dates

As the weather turns colder and we transition into the winter season, I am proud to reflect upon the warmth and energy that continues to fill our school community. The spirit at Simonds High School is undeniably high, and I am proud of the enthusiasm and dedication our students are showing in both their academic and extracurricular pursuits.

There's no doubt about it—Simonds High School is buzzing with excitement! Whether it's the energy of our student-athletes gearing up for the winter season, or the spirited discussions in our classrooms, the sense of school pride is palpable. We've seen fantastic turnouts at our local events, from athletic competitions to school performances, and the support from our community has been nothing short of amazing.

I want to extend my deepest gratitude to all of our families, friends, and local businesses who continue to show up and show out for our students. Your presence at these events means the world to our young people, and it reinforces the values of teamwork, perseverance, and community. Our students truly appreciate your continued support—it motivates them to strive for excellence, both in and out of the classroom.

As we move into this season of gratitude, I'd like to take a moment to thank our incredible staff for their unwavering commitment to our students' success. They all play an essential role in making Simonds High School a place where students feel safe, supported, and encouraged to grow.

We are also thankful for the continued involvement of our parents and guardians. Whether through volunteering, attending school events, or providing feedback, your partnership is invaluable in making our school a vibrant and thriving community. We couldn't do it without you!

Jennifer Carhart

- November 22nd/23rd Girls Tip Off Basketball Tournament
- November 28th PSSC meeting 6pm
- November 29th/30th Boys Tip Off Basketball Tournament
- December 5th Christmas Cabaret
- December 11th Grad class event 6pm
- December 20th Last Day before break

As a school we are working towards providing information about how to support our youth with understanding more about the impacts of vaping. Each week as part of our campaign we will also provide a weekly fact for families and community.

**THE LONG-TERM
HEALTH IMPACTS
OF VAPING ARE
