WEEKLY NEWSLETTER

November 25th, 2022

From Mrs. Carhart

Since September, Simonds High School has been fortunate to pilot a few initiatives in our school. It is noteworthy that our English Department is benefiting from additional staff to help support and guide our students. We are intentionally focused on bridging the gaps in learning that the missed time during the pandemic caused.

Specifically we've been looking at ways to support and intervene with our grade 9's as well as some of our grade 11 sections. It is our hope and expectation that this additional support and strategy will help our students meet with success with their ELPA and build reading comprehension/decoding.

Our French Language Department has been busy working to develop a plan to enhance and augment exposure to French language and culture at Simonds High School. I am proud to share that we have been awarded a grant to financially support this work that has been lead by Mme. Hendra, Mlle. Miller, Mlle. Robichaud, and Ms. Marr. Congratulations!

Feedback

As a school staff we have opened the dialogue to feedback. When we hear from staff, students and families we can grow and improve together. If you have a moment and would be comfortable providing feedback, we would love to hear from you!

Jennifer.Carhart@nbed.nb.ca

1. What is working well so far this year?
2. What is not working as well as it could be?
3. What ideas do you have for improvement?
