From Mrs. Carhart

As seems to be the case each week I have more proud information to share! Our Student Spirit Committee participated in their first school community event. They collected toonies over the past few weeks and purchased coffees for patrons this morning at Tim Hortons. Thank you to Ms. Hayes and her leadership to make this happen!

Our School Spirit was alive at UNBSJ last evening for the East vs West football challenge. It was wonderful to be part of a community event that was so strongly supported by our school, staff and beyond!

**Staff Member of the Month-
Congratulations Mrs. Murphy!**
