WEEKLY NEWSLETTER

February 14th, 2025

Important Dates

We recently wrapped up a fantastic Staff Appreciation Week, and I want to extend my sincere thanks to our incredible school community for helping to make it so special. From thoughtful notes and kind gestures to delicious treats and celebrations, our staff truly felt valued and appreciated. It is because of their dedication that our students thrive, and your support means the world to them. Thank you for recognizing their hard work.

Also, a reminder that yearbooks are on sale now—don't miss out! Quantities are limited, so be sure to purchase yours before they're gone. All orders must be made through Cashless Schools, so visit the website to secure your copy today. A yearbook is the perfect way to capture memories from this school year, and we don't want anyone to miss out!

As always, thank you for your continued support. Go Seabees!

ICU Class Field Trip

February 21st

The International Citizenship and Understanding class, along with various international and newcomer friends will be heading to Elmhurst Outdoors on Friday, February 21st for a fun Canadian winter experience! This trip gives our newcomer and international students the chance to try classic winter activities like cross-country skiing and snowshoeing while enjoying the beauty of New Brunswick's outdoors. It's a great way to experience a big part of Canadian culture, connect with classmates, and make some awesome winter memories!

Dear Seabee Community

We'd like to remind everyone that during breaks and lunch, our school bathrooms are not meant to be a hangout spot. We're excited to share that we've created several new lounge areas around campus where students can relax, chat with friends, and enjoy their free time.

After March Break we will be addressing the chronic loitering in an effort to maintain safe washroom facilities.

Thank you in advance for reminding your Seabee to take advantage of the gathering places and spaces we've created in our building.
