From Mrs. Carhart

We are now deep into Fall and with that comes a full calendar of ongoing activities, events and clubs for our Seabees to be part of. From Asian culture club, to Grad Committee, Musical, Best Buddies and beyond- we have something for everyone and encourage all our students to become involved. Getting involved and being part of a team or club is one of the strongest indicators of a positive High School experience. If you're curious as a parent what we offer, reach out anytime!

Additionally it is this time of year when our staff participate in professional learning on those off days for students. With long weekends and professional learning around the corner it is also prudent to remind everyone that regular school attendance is critical. Attendance matters and we will reach out if we don't see you- we care and want you here as much as possible.

A reminder to our Graduating Seabees, please return your graduation gown order forms and yearbook write up forms to the office as soon as possible.
